?...

Hi there!

*You're uncle Errol
right?*

A man with a beard and mustache, wearing a dark suit jacket over a white shirt, is shown from the chest up. He is holding a pair of gold-rimmed aviator sunglasses in his hands, looking at them with a slight smile. The background is a modern office hallway with glass doors and a white wall. The lighting is soft and even.

That's the rumour

*Quite. Well I best let you in before
our neighbours think up more
rumours...*

*I just made some
tea, would you
like some?*

That would
be lovely.

Lali tells me all kinds of naughty stories about you, but she's just as naughty...

Why, do you not like naughty?

*Perhaps not as naughty
as Lali though...*

What side of yourself
are you curious about?

My motivations, the reasons why I sometimes do things...

Like?

Impulsive things.

I'll be damned,
I finished my tea...

That was very nice tea
by the way... minty

A woman with long brown hair and glasses, wearing a red crop top with a pattern of small black stars and a large white star in the center, and pink bikini bottoms, stands in a kitchen. She is holding a white cup in her right hand and a glowing, translucent orb in her left. She is looking towards a man with a beard and mustache, who is shown in profile from the chest up, looking back at her. The kitchen has wooden cabinets and a window with striped curtains. The scene is lit with soft, natural light from the window.

*... just out of curiosity, eh...
if you could be as impulsive as
you wanted to
be right now...*

... what would you do?

Honestly...?

hmm...
