EXTENDED LICENSE AGREEMENT

1. General Agreement:

This is a legal and binding agreement between you (hereinafter referred to as "the Licensee" and Renderotica Marketplace, (hereinafter referred to as "the Licensor"). By opening this Product, the Buyer agrees to accept all of the terms and conditions of this agreement.

This Extended License grants the Licensee, a ongoing, non-exclusive, worldwide license to make use of the following digital works (hereinafter referred to as "the Product") : Golden palace for Genesis 3 Female. The Licensee declares having purchased and downloaded such product at Renderotica (trademark of CGBytes) under CGBytes Market terms. This Extended License is an extension of the CGBytes Market terms. If there is an inconsistency between this license and the CGBytes Market Terms, this license will apply to the extent necessary to resolve the inconsistency.

2. Ownership:

The Product is the original work of its creator ("the Vendor"). The Vendor warrant that he legally possess the power to grant the Licencee the licence for the Product. The Vendor retains all copyrights of the Product and the ownership of the Product. With this agreement, the Licencee purchases a licence to incorporate the Product in a new work.

3. Allowed uses:

By accepting this Agreement, Licensee is granted the following rights and uses:

3.1 The Licensee may include the Product in creation of one single game title (hereinafter referred to as "the End Product") for not more than 50 thousand copies. If the game title is distributed as shareware (free participation of users), no restrictions in number of copies apply. The licence does not apply for Second Life.

3.2 The Licensee can copyright the End Product as long as it is uniquely different from the Product, and as long as the Product can't be extracted from the End Product.

3.3 The Licensee may use the Product to create any 2D rendered image or animation, as well as 3d games in real-time renderings for personal or commercial use.

3.4 The Licensee can modify or manipulate the Product. The Licensee can combine the Product with other works and make a derivative work from it. The resulting works are subject to the terms of this license.

4. Restrictions:

4.1 The End Product shall be protected with encryption so that a single component of the Product can't be extracted from it. Extraction shall not be allowed.

4.2 The Licencee shall not re-sell or re-produce, redistribute the Product, or place it where they can be used by other persons or party.

4.3 The Product can only be used for lawful purposes.

6. Revocation of licence:

The Licensor may revoke this License upon receipt of information that the Buyer has used the Product in violation of these terms and conditions. If the Licensor shows that any of the original material can be extracted from the Buyer's derivative work, the Licensor may require the derivative work, and all copies thereof, to be deleted. In such cases, the Licensee will be notified.
