LAST BR...

Lali: I was completely transfixed by the cock going into Laila.

No, no! I woke up when they were laying down those pillows.
I heard sex. I smelled weed. I tasted pussy. I saw lots of ass.

wwwWho...

... are ...

...you?

I remember nothing.

You're leaking.

A woman with short, wavy blonde hair is looking directly at the camera with a slightly concerned or thoughtful expression. She is wearing a grey, textured, sleeveless top with a black trim around the neckline. The background is a kitchen with light-colored, vertically striped wallpaper. To the left, there is a metal rack with several spoons hanging from it. To the right, there is a white electric kettle and a silver teapot on a counter. A speech bubble is positioned in the upper right corner of the image.

Wait,
I think I do remember
something!
